

Headteacher: Mr Ken Mackenzie

March 2017

Dear Parent/Carer,

RE: Modern Foreign Languages

At Acton High School, our Year 7 students learn either French or Spanish. If your son/daughter has a strong preference for studying either French or Spanish, or has previously studied French or Spanish and would like to continue with that language, please indicate below.

Whilst we will do our best to accommodate requests, we cannot guarantee that every student will receive their preference as this will be dependent on group sizes. If we do not hear from you, we will assume that you have no preference and assign your child either French or Spanish.

If you could respond by Friday 16th June at the very latest, this will give us time to organise groups ahead of Year 6 Induction Day on the Friday 30th June.

Yours faithfully,

Mr D Summers
