# Junior School Behaviour Policy

**Approved by the Headteacher: September 2018**

Reviewed Annually

**Next review date: September 2019**

This policy is part of a portfolio of policies associated with 'Safeguarding' and must therefore, be read in conjunction with the other policies. All policies are available on the website or in school.

This policy is drawn up in line with the non-statutory guidance *Behaviour and Discipline in School (2014)*.

## About this Policy

Promoting positive behaviour requires the commitment of all members of the school community. It requires consistent application of the rules across the school to ensure that pupils know the standard of behaviour expected of them – a key characteristic of positive behaviour being respect for others.

# ARNOLD LODGE

4 - 18 yrs Co-educational Independent Day School

## Aims and Expectations

At Arnold Lodge, behaviour management strategies are adopted that enable effective delivery of teaching and learning across the school and to ensure an environment where each and every pupil feels happy, safe and confident. Our primary aim is that every member of the school community is treated fairly and feels valued and respected. We are a caring community whose values are built on mutual trust and respect for all. The school behaviour policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment where everyone feels happy, safe and secure. We expect every member of the school community to behave in a considerate way towards others. We aim to help children grow in a safe and secure environment, and to become positive and increasingly independent members of the school community who develop personal responsibility for engendering the good care and welfare of others.

*We expect staff to:*

- promote a positive learning environment including proactive intervention with regard to anti-bullying
- encourage good behaviour through fostering values of equality and respect
- nurture self-discipline and positive work ethics

## Behaviour Management Strategies

The class teacher is responsible for the management of the behaviour of his/ her class, using the systems detailed in this policy. Teachers will achieve this by:

- Being calm, good humoured and having high expectations for the good behaviour of all pupils in the school;
- Having high expectations of the children in terms of behaviour and striving to ensure that all children work to the best of their ability;
- Treating all pupils equally and showing concern and respect for them;
- Making time to respond to children according to their needs;
- Making rules clear and implementing them firmly but fairly with sensitivity;
- Using praise rather than criticism to guide;
- Reporting to parents about the progress of children in their class, in line with the whole school policy. The class teacher may also contact a parent if there are concerns about the behaviour or welfare of a child in line with the school sanctions.
- Linking with before and after school clubs to ensure effective communication takes place;
- Preventing bullying through proactive management and interactive teaching and learning;
- Student centred development of personal and social skills and positive attitudes and values
- Promoting a spirit of achievement and self-esteem;
- Active and age-appropriate communication of the School ethos, culture with regard to behaviours;

- Adoption of an educational support framework for students with learning/behavioural difficulties;
- Provision and access to continuing professional development and coaching for staff.

## Inappropriate Behaviour

Pupils are required to work sensibly and to move about the school quietly and courteously at all times.

We expect pupils to be:

- **HONEST:** be courteous, truthful and trustworthy at all times
- **HARDWORKING:** take responsibility for their actions
- **KIND:** have respect for, and be respectful of others, their views and their property

Concern regarding individual and or group behaviour will be logged and details shared with other staff members and the Headteacher.

## Behaviour Management Principles

- *Investigation* - the primary cause of inappropriate or poor behaviour shall be established and suitable support to counter such behaviour actioned
- *Acknowledgement* - pupils who consistently uphold the stated values of Arnold Lodge or demonstrate significant improvement in their behaviour shall be recognised for their achievement
- *Authorisation* - teachers (including teaching assistants) have delegated authority to invoke disciplinary proceedings for instances of misbehaviour occurring within the school and in some circumstances, outside of school.
- *Sanctions* - Inappropriate behaviour is not tolerated and use of sanctions is considered legitimate in order to remedy and/or deter continuing poor behaviour

In the classroom, we use a system to promote behaviour for learning. The system is used to provide clear and direct evidence to students and parents that the school is tackling issues, it has a positive effect on the classroom and supports both teaching and learning.

## Sanctions

Detailed information on the use and range of sanctions pertinent to the level of inappropriate behaviour is set out in the Arnold Lodge Use of Sanctions guidance note available on the Schools website. **Corporal punishment is not used at Arnold Lodge, nor is corporal punishment ever suggested or threatened.**

## Monitoring and Review

This policy is monitored and reviewed annually.

## **The House System**

There are three houses at Arnold Lodge, linked to the School Values of Kind, Honest and Hardworking. Pupils are placed into a house when they join Arnold Lodge based on a questionnaire that ascertains their strongest value. At the end of each half-term, the Engage rewards awarded to pupils in that house are collected together to give the total house points and the house with the most house points will win the star cup for that half-term.

Alongside the competition for the star cup, there are a number of house competitions for pupils to take part in. Each half term pupils will compete in their houses in one sporting competition, one non-sporting competition (such as house quiz, house bake off etc) and a house fundraiser which will be for a designated charity for that half term. Points will be awarded for each competition and be added to the total for engage points.

At the end of the year at Prize Giving, the scores for house points and house competitions are collated and a winning house for the year is awarded the Randolph House Shield.

## **Certificates and Prizes in Assembly**

On occasion, pupils might demonstrate behaviour which goes beyond the normal recognition of the points system. Where a pupil's actions (this might be a single act of outstanding kindness / responsibility or it might be for ongoing commitment which is above any beyond what is expected) then a Headteacher's Commendation may be awarded. The commendation, which will be awarded in a prize giving assembly, will be accompanied by a phone call to parents to inform them of the commendation and a reward which the Headteacher deems appropriate.

## Part 2: Behaviour in the Classroom – Behaviour for Learning

### 1. Why use the system?

- Supports teachers and TA's.
- Creates a whole school feeling and provides appropriate modelling to younger pupils.
- Has a positive effect on learning
- Provides immediate support to NQTs and new staff
- Provides the platform for improving teaching and learning
- Ensures fairness and consistency.

### 2. What is Behaviour for Learning?

#### All pupils are expected to:

- Demonstrate a commitment to personal success and improvement;
- Respect other pupils and staff members at all times;
- Work co-operatively with staff and other pupils;
- Contribute to and benefit from the unique opportunities provided at Arnold Lodge;
- Conduct themselves in an acceptable manner appropriate to the expectations of Arnold Lodge.

#### Behaviour for learning:

When in the classroom, all pupils must ensure that they adhere to the Behaviour for Learning expectations:

- Focus on learning – Concentrate on the task you have been given
- Talking on task – when the teacher allows talking in class, make sure that it is about the task you are doing
- Listening and looking – pay attention to what the teacher is telling you and avoid distractions
- Respect for others – both staff and other pupils.

### 3. Managing Behaviour for Learning – the M system

If a pupil is not complying with the B4L expectations, they will be warned verbally 1 or 2 times that their behaviour is inappropriate and given advice to correct it..

If the pupils continues to exhibit poor B4L the following sanctions apply:

M1 – Verbal warning. The pupil's name should be recorded on the whiteboard. They may be moved to a different seat if this is considered to help them improve their B4L.

M2 – End of lesson conversation. The pupil will be given an M record slip with the concern written on it. The pupil will be expected to either stay behind at the end of the lesson or return at break/lunch for a follow up conversation regarding their behaviour and how to improve.

M3 – Lunchtime community service. The pupil will have this added to their M record slip. They will be expected to attend a lunchtime community service with the Duty staff in addition to a follow up conversation with the class teacher. If there is continuous, disruptive behaviour a behaviour book and IBP (Individual behaviour plan) will be considered.

# ARNOLD LODGE

4 - 18 yrs Co-educational Independent Day School

M4 – Afterschool detention. Parents will be contacted to arrange a suitable night for the pupils to sit a 1 hour afterschool detention. This will be reflective time for the pupil to consider the effect of their actions and ways to improve their behaviour.

M5 – Removal from lesson. In rare cases where the behaviour of a pupil is such that it is significantly disrupting the learning of other pupils, the pupil will be removed from the classroom. The teacher should ask a responsible pupil to alert a member of SLT to collect the pupil from the room.

### 3. Remember to:

- Make clear that a misdemeanour is given and recorded on the board next to the pupil's name
- Give a period of 5 minutes between each "M" awarded to give the pupil time to curb their behaviour.
- Students should not be sent to stand outside classrooms to "cool down" or be punished by standing outside the staff room / sent to another class. For practical lessons such as Science and Food Technology pupils may be removed from the practical activity and given written work instead for a suitable period of time.

### 4. Behaviour for Learning towards the individual

- For any serious physical violence, the student will be removed and sent home pending a meeting with parents.
- Bullying, verbal violence or swearing at another student can directly be an M3 or an M4
- Any student with inappropriate objects (knife/drugs) will be suspended pending an investigation.
- Bad language directed at staff from a student – direct M4
- Two students using bad language between them – M3

### 5. Homework

- Any student missing homework without a valid reason can be awarded either an extension or a personal lunchtime detention. This should be at the discretion of the teacher if a valid reason is able to be provided and, if necessary, substantiated by parents.

### 6. Procedure

- If a pupil receives an M2, 3 or 4, this should be logged on Engage. The M record slips are duplicate copy to allow staff to keep a record of any sanctions they have given.
- Where a pupil has been given an M4, the parents must be informed by email and confirm that they have received the email no less than 24 hours before the detention.
- Detentions normally take place between 4:00pm to 5:00pm on a Wednesday unless alternative arrangements are made.
- M3 and M4 detentions can only be cancelled by the awarding teacher

# ARNOLD LODGE

4 - 18 yrs Co-educational Independent Day School

## 7. Restorative Practice

In the event of a pupil receiving an M2 for poor B4L, the follow up conversation will be done using the principles of restorative practice. The teacher will encourage the pupil to reflect on their actions and how they can improve in future rather than apportioning blame and negativity. To assist with restorative conversations, the following questions will usually be asked of the pupil:

1. What happened?
2. What were you thinking at the time?
3. What have you thought about since?
4. Who has been affected by what you have done, and how?
5. What do you think you need to do to make things right?

### Do's and don'ts

Do:

- Use a calm voice, stay relaxed and connected.
- Sit or walk along side during discussions keeping at the child's level
- Give child a fiddle toy with if appropriate
- Insist on person responsible for talking first, person harmed (if applicable) second, no one can interrupt.
- Keep restorative meeting short: 5 to 10 minutes
- Ask of both participants is there anything else you'd like to say

Don't:

- Raise your voice or appear confrontational
- Tell children to look at you when you're talking to them, this can be confronting and leads to child shutting down.
  - Doggedly pursue restorative mediation if all parties are not calm and willing to participate.
- Ask why, stick to the script

## 8a. M3 Community Service

- Community service takes place at break times.
- The awarding teacher should notify the pupil of where the detention is taking place.
- The teacher will assign tasks for the pupil. Suitable tasks could include but are not limited to: litter picking, cleaning desks, sorting lost property, tidying classrooms.
- The pupil should take time to reflect on his/her behaviour in the lesson.

## 8b. M4 Detention

- The M4 detention is a time for the pupil to reflect on their actions and consider how to improve their behaviour or work ethic in the future. This may be through discussion with the Head of Junior School or a letter of apology. The M4 will also include silent reflection time.

# ARNOLD LODGE

4 - 18 yrs Co-educational Independent Day School

## 8c. M5 – removal of a pupil from a lesson

- Pupils who have an M5 will not return to school until parents have discussed the incident with a member of the school management team.

## 9. Praise

- If student behaviour is positive and constructive within school, students should be given praise and this should be a genuine reflection of their success.
- In all classrooms students should feel comfortable with a positive learning environment in the classrooms.
- In each classroom, we aim to have at least twice the amount of praise as there are consequences.

## 10. Foundation Stage and Key Stage 1 Sanctions

The following sanctions, ranked in order of severity, are to be followed through if a child breaks the rules or displays unacceptable behaviour:

1. General reminder of rules
2. Reminder of rules and verbal warning
3. Miss 5 minutes of playtime to complete work (Key Stage 1). 'Time out' for 5 minutes in a designated area of the classroom to discuss the behaviour causing concern with the teacher.
4. Complete work/ task alone, away from other pupils for the remainder of the lesson (a further 5 minutes in the Foundation Stage)
5. Meeting with Head of Junior School and class teacher
6. If you have already reached stage 5 this term you will move here from stage 3 – Meeting with Deputy Head of Junior School and class teacher – A behaviour book and individual behaviour plan (IBP) will be considered.

## 11. Violence to staff.

Any instance of violence towards staff will immediately be referred to SLT. For more information on this please refer to the Policy on violence, threatening behaviour and abuse.

## Mobile phones and internet capable devices in school

Pupils in Years R-6, as a general rule, are not allowed personal electronic device with them in school (including mobile phones, tablets or laptops). Acceptable use of these devices does not include:

Some exceptions may exist where the child needs/relies on an electronic device to aid their studies or work. Pupils that are allowed to bring in an ipad, tablet or laptop do so for use in lessons only. These devices may not be used outside of lessons in school, or to communicate via any social networking/messaging provision. Smart watches are allowed provided the device they are connected to is turned off. If a child in Year 6 walks home then they are permitted to bring in a mobile phone which will be switched off and stored with the Year 6 teacher until the end of the day.

If a pupil is found to be using their phone in school the following sanctions apply:

# ARNOLD LODGE

4 - 18 yrs Co-educational Independent Day School

1<sup>st</sup> offence: Confiscate the phone until 4pm that day. Inform the parents of the offense and the consequence should the pupil continue to misuse their phone is school.

2<sup>nd</sup> offence: Confiscate the phone and inform the parents. Phone to be returned to parents upon meeting with them to discuss the concern.

3<sup>rd</sup> offence: Confiscate the phone and pass to Penny Partridge. The phone will remain confiscated for the remainder of the half term.

## Part 3: Use of Sanctions Guidance Note

The following are recommended school sanctions but are not to be considered an exhaustive list. Prior to considering sanctions, Arnold Lodge will always take into account the SEN / disabilities of the pupil and make reasonable adjustments as are appropriate. If in such instances sanctions are appropriate, the sanction chosen will also take the SEN / disability into account to ensure that it is reasonable for that pupil and their actions relative to their SEN / disability.

### Detentions

**Persistent Low Level Behaviour:** break time detention, escalating to lunch time community service. In this instance, detention should be coordinated by the class teacher. In all instances, a record should be kept for future record.

**School Detention:** this may be given to a pupil from either their class teacher or their mentor (for mentors, please see the Mentor handbook and the behaviour flow-chart). For class teachers, School Detention may be given to a pupil who has not completed their prep, through the use of the 'M' system or because of a lack of effort towards their learning.

**Other Sanctions:** alongside traditional detentions, the school may utilise other sanctions (please see the DfE advice for headteachers and school staff, 'Behaviour and discipline in schools', January 2016'). Alternative possible sanctions include loss of privileges (such as not being able to take part in non-uniform days or responsibility), school based community service (such as picking up litter, weeding school grounds or helping to clear up the dining hall) or additional work to complete (used predominantly where the sanction is required for unsatisfactory work). Alternative sanctions will always be notified to parents before they take place.

### Reports

Where pupils display continued poor behaviour after the intervention of a class teacher (especially when this is occurring in lessons), pupils may be placed onto daily report to identify any causes of their poor behaviour (subjects, time of day, days of the week, etc) and to support pupils to reflect on and improve their behaviour.

# ARNOLD LODGE

## 4 - 18 yrs Co-educational Independent Day School

As part of this process, key targets will be identified with pupils in conjunction with class teacher and Head of Junior school. All staff who teach the pupil are expected to contribute to the monitoring of success or failure to achieve targets. This is not to be viewed as a punishment by the pupil or treated as such by the staff but as the development of self-discipline. Parents are informed and where possible are encouraged to discuss how the management of behaviour is agreed and shared at home and at school.

### **Internal Isolation**

Should a pupil commit a serious enough offence or should their actions continue to represent a concern after considerable efforts to curtail their behaviour, pupils may be placed into Internal Isolation. A 'serious' offence might constitute (but is not limited to); swearing at a teacher, being impolite to visitors, intentionally hurting another child, bringing disgrace to the school name, offensive behaviour to peers or damaging school property intentionally. The Internal Isolation should be determined on a case by case basis taking into account the actions of the pupil and their particular needs and circumstances. During this time, the pupil will not be allowed to take part in school fixtures or other extra-curricular activities.

### **External Isolation**

Where behaviour continues to be of concern after Internal Isolation or is of a serious nature, pupils will be given an external isolation. Pupils will be removed from school and will remain at home for up to two days for a period of reflection. Teachers will provide work for the pupil during this time. The school will endeavour to work in full collaboration with parents in working towards helping the pupil to think about strategies for improvement of behaviour. The pupil will receive counselling support on his return to school after this period. The parents will be informed that a formal suspension or even exclusion could result if the pupil behaviour does not improve.

### **Suspension & Exclusion**

In extreme cases for persistent inappropriate behaviour or for incidents of gross misconduct<sup>2</sup> (which includes but is not exclusively the following – intentionally harming peers, severe and persistent bullying, theft or damage to school property and that of others, illegal substances brought in to school, dangerous implements brought into school, deliberate victimisation, inappropriate sexual activity, or for malicious accusations against staff) the Headteacher may suspend or exclude the pupil from school permanently. A pupil may be formally excluded from the school if it is proved on the balance of probabilities that the pupil has committed a very grave breach of school discipline or has committed a serious offence. Exclusion is reserved for the most serious breaches. In such cases, the Headteacher shall act with procedural fairness and parents will be fully informed of the process. The decision to exclude shall be subject to review by the Directors if requested by Parents. The pupil shall remain away from school pending the outcome of the review.

If a student is excluded, there will be no refund of the Registration Fee or of Fees for the current or past terms. There will be no charge to fees in lieu of notice but all arrears of Fees and any other sum due to the school will be payable.

### **Removal from school in other circumstances**

---

<sup>2</sup> In all cases, it is the Headteacher that will decide what is to be considered gross misconduct.

# ARNOLD LODGE

4 - 18 yrs Co-educational Independent Day School

Parents may be required, during or at the end of a term, to remove a pupil from the school if, after consultation with the pupil and parent, the Headteacher is of the opinion that by reason of the pupil's past conduct or attitude to learning, the pupil is unwilling or unable to benefit sufficiently from the educational opportunities offered by the School or has an accumulation of offences or has failed to respond to School discipline or at the Headteacher's discretion should it be considered that continued attendance would be detrimental to the school community, or if a Parent has treated the School or members of its staff unreasonably. In these circumstances, Parents may be permitted to withdraw the pupil as an alternative to removal being required. The Headteacher shall act with procedural fairness in all cases and shall have regard to the interests of the pupil and parents as well as the school.

## **Review**

Parents may ask for a Review by a panel consisting of up to three members (One Director, or person appointed in lieu of the Director, one member of the Senior Leadership Team and an independent member) of a decision to exclude or require the removal of a pupil from the School. The request for a review must be made as soon as possible and, in any event, within seven days of the decision being notified to the parents. Parents will be entitled to know the names of the members who make up the Review Panel and may ask for the appointment of an independent panel member nominated by the school and approved by the parents (approval not to be unreasonably withheld).

## **Review Procedure**

The Headteacher will advise the Parents of the procedures (current at that time) under which such a review will be conducted by the panel. If Parents request a review, the pupil will be suspended from school until the decision to expel or remove has been set aside or upheld. While suspended, the pupil shall remain away from School and will have no right to enter school premises during that time without written permission from the Headteacher. A Review will be conducted under fair procedures in accordance with a duty to act fairly.

## **Behavioural strategies for individual pupils**

At Arnold Lodge we strive to support children with behavioural problems and cater for their individual needs. To support these children the following strategies may be put into place:

- weekly nurture group sessions, which will provide the children with strategies for dealing with the behavioural problems. They will be given half termly targets which will be reviewed by their Mentor and the Pastoral Deputy
- time out card to prevent inappropriate behaviour occurring and time to calm down
- pupil profiles will be created by the child themselves alongside their Mentor for all staff that come into contact with that child
- The Pastoral Deputy and Mentor will if necessary meet with parents and create a care plan to support that child and will be reviewed regularly.
