

Indianapolis Indoor Rowing Championship

January 28, 2017

Four team members that had been training over the winter attended and also took possession of a new ergometer on the trip to Indianapolis. Culver rowers won one brick (the first place prize) in the junior mens lightweight novice, and two others placed a close second and third in the junior mens varsity. Phearom Duong's victory was also the fastest time among all the junior novice entries, both lightweight and open weight, along with being a new personal best.
