

Indy High School Sprints
May 8, 2016
Eagle Creek Reservoir, Indianapolis, IN
starting bridges, 2000 meters

The regatta was a bit more modest this year compared to the year before. There was a limit on entrants. There was a period of rain during the middle of the regatta. Culver and Indianapolis raced in the same heats and Culver was able to finish ahead of Indianapolis in eight of nine events. Medals in novice events were based on time only. Cincinnati Juniors and St Louis were indeed the strongest and deepest sweep teams at the regatta. The CMA 1st varsity 4+ was the only medalist this year, defeating Indianapolis and two St Louis crews in the final.
