It would be appreciated if the very busy 'break time' 11.00am to 11.30am could be avoided for the purchase of uniform.

The above hours may be modified in the light of demand – our aim is to offer a good range of opening times, convenient for both parents and pupils.

Important notice:

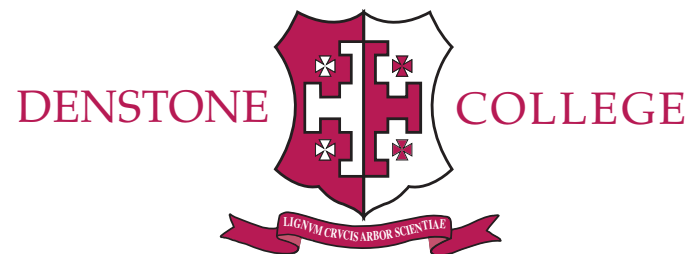

PLEASE – in order that we may give the best service to parents, it is requested that uniform is purchased in good time for the Autumn Term and not left until the very last minute. Please help us, to help you. Many thanks.

Appointments:

If parents are unable to purchase their requirements during the normal shop hours, please telephone to arrange an appointment.
