Year 12 Parents' questionnaire results December 2017

Having been distributed at the consultation evening , just 25 questionnaires were completed this year.

100% of parents agreed that their child is happy; feels safe and makes good progress at this school. 100% of parents also felt that their child is well looked after; is taught well and receives appropriate homework. 100% of parents went on to agree that they receive valuable information about their child's learning.

In light of identifying areas for improvement, 4% of parents disagreed that the school ensures that students are well behaved; that the school deals well with bullying; that the school is well led and managed, or that the school responds well to any concerns raised.

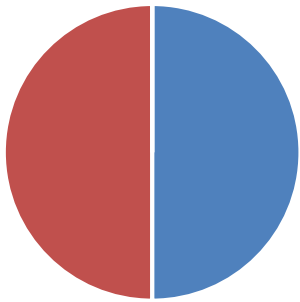

Over the past few years, we have included a box that allows parents to put their name so that we can follow up specific cases that may contribute to any negative feedback. None were completed this year but the year office continues to work with parents in person, and on the telephone, to ensure that interventions are timely in securing progress for all students.

A full break down of the results for each question can be seen on the following pages with the percentage for each category noted on pie charts.
