

Sunny reunion for Class of 1970

Last year the date of our annual meeting had to be moved because of a certain royal wedding – it seemed a good idea to avoid going head to head with Harry and Meghan! We therefore met on Sunday 20 May 2018, at my home in Broad Chalke, near Salisbury.

Although we originally started as a West Country group, we now have regulars coming from the Midlands, London and the South-East too. Anyone from our year is welcome. Yet again we were blessed with sunshine and were able to sit in the garden all day, enjoying the food and drink that everyone had brought. Even though we know each other well, and we meet every year, there is still always plenty to talk about. Our lives are all constantly evolving, with more retirements, adventures and new grandchildren, amongst other things to discuss!

We will meet again next May, on a date yet to be confirmed.

“ If you are interested in joining us, or would just like to contact our year group, please get in touch via the Old Girls' Association. ”

We are also considering a bigger celebration in 2020, which will be 50 years after we left the Upper Sixth, so if you know of anyone who might be interested, please let me know!
