Students should be at the bus stop **AT LEAST FIVE MINUTES BEFORE** the time stated on this timetable.
 May we remind students that Central Beds and the bus company rules **FORBID SMOKING** on school transport.

Our advice is always that parents (or students themselves) contact the school for advice if ever a bus is late. It is extremely rare that a bus does not turn up and we are always notified by the transport department in these circumstances.

Central Beds Transport is responsible for school transport and can be contacted

on 0300 300 8133

If your son/daughter is entitled to travel on school transport then they should be issued with a bus pass by Central Beds Transport during the summer holidays showing the number of the bus on which they should travel to and from school.

The Bus Pass **MUST BE CARRIED AT ALL TIMES AND IS SUBJECT TO INSPECTION BY THE DRIVER OF THE BUS.** Students must NOT change buses. Please note that if a student does not have a bus pass then parents/carers are responsible for their transport to and from school.

If a student loses their bus pass, or if it is damaged or defaced:

- The student will need to obtain a temporary bus pass from the Student Support Office.
- A red application form for a replacement bus pass must be completed and sent to Central Beds Transport with a cheque for £10.00.
- Central Beds Transport will then issue a replacement pass.
- The temporary bus pass is valid for ten days only, during which time the replacement application form must be sent off and received by Central Bedfordshire Transport.

We cannot issue another temporary bus pass if Central Beds have not received the red form
