

1st July 2016

A new way to record, track and monitor homework at Harlington Upper School.

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set as well as their submission status.

You will be provided with login details to your personal account, ready-linked to your child's homework calendar. These logins will be sent out 1 week after launching but don't worry you will still be able to view all homework in the meantime.

To view all homework set without login details please visit <http://www.harlington.org> the link for Show My Homework is on our homepage. You will also be able to login by following this link and clicking the top right 'Login' button.

- ❖ 24/7 access

- ❖ Translation into over 50 languages
- ❖ Free apps available for iPhone, iPad, iPod Touch and Android devices

We will be launching Show My Homework on 4th July 2016 and we hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisational skills, time-management and help them to keep on top of their workload.

If you or your child have any questions about the service, please do not hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just email help@showmyhomework.co.uk or call 0207 197 9550.
