Dear Parent/ Carer,

## Revision Guides for GCSE Combined and Triple Science

As you will be aware, your son/daughter is the first year group to study the new specification for Science. We have therefore been carefully reviewing all of the "revision guides" as they have been published to ensure that the one we chose covers all of the relevant content effectively and also provides students with the opportunity to practice questions in the style of the new exams.

Collins has produced a product entitled "All-In-One Revision and Practice" which is perfect for our course. These have therefore been ordered in to school and will be available for students to purchase.

### Combined Science

Students need to purchase just **one** "All-In-One Revision and Practice" book. This covers the whole of the Combined Science course and costs £9.00

### Triple Science

Students need to purchase **three** separate "All-In-One Revision and Practice" books (1 per scientific discipline). These are available at a cost of £12.00 for all three.

If you would like to order the revision guides, please complete the attached reply slip and return it together with full payment. Payments can be made online through ParentPay and cheque payments can be put in the secure post box in the Library. Alternatively, cash payments can be handed in to a member of the Finance Team in the Library on Monday and Thursday break times. Please make cheques payable to *Harlington Upper School* and return the slip below with full payment.

If you are experiencing financial difficulty and require assistance to purchase the books please do contact me.

If you have any queries please don't hesitate to contact me, [lhymus@harlington.org](mailto:lhymus@harlington.org)

The books will be available for students to collect from S10 at break and lunchtime once payment has been received.

Best wishes,

Mrs Laura Hymus  
Associate Head of Science  
Harlington Upper School

✂ .....

To: Mrs L Hymus, Science Department

## **Re. Science Revision Guides**
