Careers Department - Are you considering a Degree Apprenticeship? Degree Apprenticeships were launched in September 2015 and the programme currently has around 1,000 apprentices.

website: www.harlington.org
e-mail: enquiries@harlington.org

They are similar to [Higher Apprenticeships](#), but differ in that they provide an opportunity to gain a full Bachelor's (Level 6) or Master's Degree (Level 7). The courses are designed in partnership with employers, with part-time study taking place at a university or college. They can take between three to six years to complete, depending on the level of the course. At the moment the scheme only operates across England and Wales, although applications may be made from all parts of the UK.

Did you know that you can search for them on the UCAS website using the following link? [Click Here](#)

You can find more information on apprenticeships on the school website Home>Parents Information>Careers>Apprenticeships jbayes@harlington.org
