

Year 11 Results

- Hazelwick is delighted to report another excellent set of results for Year 11 students.
- **76%** of all GCSE grades were 9-4.
- **A quarter** of all GCSE grades (**25%**) were **'top'** grades (9-7).
- The Grade 9-4 rate averaged **79%** in GCSE English and Maths.
- **69%** of students achieved both English **and** Maths at grade 4 or above.
- The 9-4 rate for GCSE History/Geography was **73%**, and for Modern Languages/Latin was **85%**.
- A very impressive total of **47** students achieved **5 or more 'top'** GCSE grades (9-7).
- **4** students achieved 7 or more of the highest possible grades (9).
- **1** student achieved 9 of the highest possible grades (9), plus 1 grade 8.
- **Over a quarter** of our students (**74**) achieved the **'EBacc'** (English Baccalaureate), which requires GCSE 9-5 grades in the traditional academic subjects of English, Maths, two sciences, History/Geography and a language.
- For the vast majority these outstanding results represent a fitting reward for the commitment and hard work of students and teachers alike.
- When added to the school's excellent performance at A level this year, these results maintain Hazelwick's position as one of the top maintained schools in West Sussex.
