

# Hazelwick School A Level Results

## Summer 2018

Year 13 Hazelwick students celebrated another fantastic set of A Level results, particularly impressive, given the increased demand of the linear qualifications. Not only does their progress suggest Hazelwick is placed among the top sixth form providers in the county, but their attainment is high as well.

An outstanding one fifth of all grades were of an A\* or A standard, with nine students achieving three or four A\*/A's. An impressive 47% of all grades were of the A\*-B standard.

Hannah King gained a place at Cambridge to study Biological Sciences. With these excellent results the vast majority of our students progressed to their university of choice.

These fine results are a fitting reward for the dedication and hard work shown by these students. We are not only proud of our sixth formers' academic success, but also immensely grateful for the enormous contribution they have made to the wider life of the school community.

Ms A Fearon (Headteacher)

Sept 2018

Measure	Hazelwick School
Level 3 Value Added GCE A Level	+0.09
Level 3 Value Added Applied GCE	-0.01
Average result – A Level	31.76 (C+)
%A*/A	23
%A*-B	52
%A*-C	79
%A*-E	99
% at least one A*/A	12
No. students 3+ A*/A	11
