

Relationships and Sex Education Policy

What is Relationships and Sex Education?

Relationships and sex education is learning about the emotional, social and physical aspects of growing up, relationships, sex, sexuality and sexual health. Some aspects are taught in science, and others are taught as part of personal, social, health and economic education (PSHE).

According to the *Sex and Relationships Education (SRE) for the 21st Century* guidelines Relationships and Sex Education promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, prepares pupils for the opportunities, responsibilities and experiences of later life.

A comprehensive programme of RSE provides accurate information about the body, reproduction, sex and sexual health. It also gives children and young people essential skills for building positive, enjoyable, respectful and non-exploitative relationships and staying safe both on and offline.

Relationships and Sex Education at Hazelwick

RSE at Hazelwick contains 3 elements:

- Attitudes and Values
 - Learning the importance of values, individual conscience and moral considerations and responsibilities in relation to fundamental British values
 - Learning the value of respect, equality, love and care
 - Exploring, considering and understanding moral dilemmas
 - Developing critical thinking as part of decision making
 - Building an awareness for different types of relationships and the function of sex within a relationship
 - Promoting diversity and equality across all groups in society
 - Fundamental British values
- Personal and Social skills
 - Learning to manage emotions and relationships confidently and sensitively
 - Developing self-respect and empathy for others
 - Learning to make choices based on an understanding of difference and with an absence of prejudice
 - Developing an appreciation of the consequences of choices made
 - Managing conflict and learning how to recognise and avoid exploitation and abuse
 - Supporting pupils to keep themselves safe from harm on and offline
- Knowledge and Understanding
 - Learning and understanding physical development at appropriate ages
 - Understanding sexualities for people of all genders
 - Understanding reproduction, sexual health, emotions and relationships
 - Developing the skills and understanding to avoid and resist unwanted sexual experiences and understand what it means to be ready for sexual experiences
 - Learning about contraception and the range of local and national sexual health advice, contraception and support services

- Learning the reasons for delaying sexual activity, the benefits to be gained from such delay
- Understanding all options for staying healthy within a sexual relationship
- Understanding relevant legislation connected to all types of relationships and sexual activity

Statutory Status of RSE

All secondary schools (maintained academies or independent) will be required to provide RSE by September 2019.

Policy Statement: Relationships Education, Relationships and Sex Education, and Personal, Social, Health and Economic Education, DfE 2017

Organisation and Content of the Relationships and Sex Programme

RSE is taught to students during Key Stage 3 (Years 7 and 8) and Key Stage 4 (Years 9, 10 and 11) through PSHE, VBE and Science. Some students will also encounter RSE through the study of a GCSE option in Child Development.

Range and Content in relation to RSE Key Stage 3 and 4

The content of RSE at Hazelwick is informed by the PSHE Programme of Study and DfE guidance. For details on the content covered, please see the link below;

<https://www.pshe-association.org.uk/curriculum-and-resources/resources/programme-study-pshe-education-key-stages-1%E2%80%934>

Teaching Methods and Staffing

The programme is coordinated by the Head of PSHE and Citizenship/VBE. It is led by a team of specialist teachers.

Lessons are planned by specialist and trained teachers within the PSHE and Citizenship department who provide non-specialist teachers with guidelines. These guidelines are in keeping with the PSHE programme of study.

To review the effectiveness of the programme, department meetings are held and evaluation and feedback mechanisms are in place for teaching staff. Within the classroom, individual teachers assess the comprehension of the issues covered through questioning and discussing topics with the students as well as through written work.

The resources are selected by the Head of Department for PSHE and Citizenship/VBE in conjunction with the teaching staff responsible for the delivery of the programme.

Working with Parents/Carers

In all curriculum areas, Hazelwick works closely with parents/carers. Any parent/carer wishing to discuss Relationships and Sex Education is able to do so with the Head of Department for PSHE and Citizenship/VBE, a Head of Year, the Deputy Headteacher or the Headteacher.

Child Withdrawal Procedures

From September 2019 parents/carers will be unable to remove their child from any Relationships and Sex Education delivered within science lessons. The Head of Department for PSHE and

Citizenship will discuss concerns with parents/carers regarding RSE within PSHE and Citizenship lessons, and if a decision is made to withdraw their child, alternative arrangements will be made.

Equal Opportunities

The teaching programme is offered to all students in Key Stages 3 and 4, with assemblies delivered in Key Stage 5.

Policy Review

The effective date of this policy is June 2018.

The next scheduled review will be undertaken by the Curriculum and Standards Committee of the Governing Body in 2021.
