“My mentor support at Hazelwick School was outstanding. She was always able to pinpoint areas in which I had to develop, together with sound and effective advice on how to make progress. As a result, I have been offered a post as a Science NQT at the school.”

Science Trainee – Qualified 2017

“Despite finding my school teacher training experience difficult to start with, the amazing and inspiring support I received from both my Head of Department and the school’s Professional Tutor allowed me to make exceptional progress towards the end of the course, resulting in my acceptance of a teaching post for September”
