PLEASE NOTE

1. Pupils must continue to check the Sports Department Noticeboard for teamsheets on a daily basis.
2. Prep School parents should continue to tick the teamsheet to notify staff of their child's availability.
2. The Sports Website will provide parents and pupils with the most up to date information regarding timings of fixtures. **It supersedes information contained in the School Calendar.**
3. The Sports Website is accessible to smart phones and links into Google Maps effectively for directions.
- 4. Henceforward, teamsheets shall only be published on the Sports Website and no longer on the Parent Portal.**

Pupils will be encouraged to check the Sports Website at least once a day, primarily to note fixture dates and selection. Excitingly, pupils can also use it to keep tabs of their opponents' progress and chart the success of other year groups within the School. We hope that the new website will prove more accessible and informative to pupils and parents.
