King Edward’s School was founded by Royal Charter in 1552. We are proud of our history and tradition as the City’s grammar school and as Bath’s only independent school exclusively for day pupils, providing co-education for pupils aged 3–18 across the Pre-Prep, Junior and Senior Schools.

King Edward’s School Aims

• To provide a distinctive and stimulating environment for talented children from a variety of backgrounds, in which each individual is encouraged to strive for excellence and to acquire a lifelong passion for knowledge, discovery and adventure

• To enable each pupil to fulfil his or her own personal academic, sporting, creative and cultural potential

• To cultivate in each pupil alongside intellectual development a strong sense of the moral and spiritual, the difference between right and wrong and an awareness of their rights and responsibilities

• To promote and develop in each pupil the qualities of honesty, integrity, duty, loyalty, courtesy, tolerance and compassion

• To offer a strong, caring and supportive pastoral framework, working closely with parents to ensure that pupils are safe and happy and that all members of the school community feel respected and valued

• To create an environment in which all members of the school community enjoy equality of opportunity

• To provide opportunities both for leadership and teamwork, thereby nurturing pupils as confident, articulate, self-disciplined and socially responsible citizens and independent thinkers who respect the dignity of others

• To prepare pupils fully for the challenges and opportunities of a rapidly changing world in the 21st century and to lay the foundations for KES pupils to lead honourable, worthwhile and fulfilled lives in the wider community

• To foster a sense of community across the Pre-Prep, Junior and Senior sections of the School

- **The only entrance** to the new Willett Hall is via the steps on the theatre side. The Library is not to be used as a thoroughfare. Those coming from Nethersole may go down the steps at the outside of the library to access the entrance, or round the outside using the paths, but not along the terrace.

- **The only exit** is the door at the Nethersole side. From there the stairs on the left lead to the Library and the lower end of the site, the pathway heads over towards the Junior School, or the steps go up towards Nethersole.

- Year groups should only attend and queue at their set time. Sixth Formers may attend before 12.35 if they are free, but should try to attend before 12.45 in order not to have to wait until the end.

- **Clubs will all start at 12.35 or will be specifically timed around the scheduled lunch of pupils involved** and will finish by 1.30 in order to allow pupils into “clubs lunch”.

- Any pupil attending a lunchtime activity should attend lunch AFTER their club.

- Activities must end in time to get pupils through lunch at the end in time for registration.

- There is to be no “picking up” of a sandwich to take away from the dining hall to eat at a club, and packed lunches do not take “priority”; pupils must attend at their time slot with their year group and all queue together.

- **The Dining Hall is the only venue** where pupils may eat lunch, unless permission has been granted for packed lunches to be eaten on the meadow. Sandwich lunches and items purchased from the tuck shop must never be eaten in classrooms.

- have their personality, gender, sexuality, culture, race, religious and political beliefs respected;
- support from the School authorities to uphold these rights

In order to protect the rights of others, every pupil has a **RESPONSIBILITY** to:

- act at all times in a tolerant, civilised and sensitive manner

King Edward’s School is committed to ensuring that these entitlements and responsibilities are observed.

Where a pupil has a particular concern or complaint, he or she should consult a member of staff, who will take appropriate action.
