2.4 Management Structure for the academic year 2016-17

See Section 1 Structure of Responsibility and Accountability, which highlights all School Management Team (SMT) and Senior Leadership Team (SLT) members and lists the key staff they manage.

The members of the Senior Leadership & Management Team are set out below. Each of these staff have responsibility for key staff teams and areas of school life. The whole school staff is led by the Principal, Mrs Katherine Jeffrey, who chairs whole staff meetings and support staff meetings. The Principal reports to the Chair of Governors.

There are two Senior Leadership Teams (SLTs), one for the Preparatory School (PSLT) and one for the Senior School (SSLT). The PSLT meets weekly, Chaired by the Head of Preparatory Division. The SSLT also meets weekly during term time and in school holidays as agreed in advance and required. Every other week (in term time), the SSLT meets with a specialist teaching department, to attend a presentation from the department and to discuss key issues, achievements and development targets. The Chair of the SSLT is on rotation within the team. These meetings primarily focus on:

- (1) Curriculum matters
- (2) Pupil matter
- (3) Teaching staff
- (4) School events
- (5) Policy updates, procedures and compliance

A School Management Team (SMT), meets half termly/monthly, during term time and in school holidays as agreed in advance and required. The SMT is Chaired by the Principal. The meetings are for operational and strategic matters:

- (1) to co-ordinate and communicate across key school areas (support roles and teaching) key decisions and updates;
- (2) to review and reach decisions/recommendations on (subject to Governor approval as appropriate) particular whole school projects that affect in a significant way all main school areas (i.e. the support staff work, the Preparatory School and the Senior School), whilst also requiring discussion and consultation between the range of areas covered by representatives at the meeting; and
- (3) to review the 3-year SDP and progress being made, together with planning for the next development cycle, in consultation with Governors as appropriate.

Senior Leaders & Managers (SLM), or any other member of staff, may be invited to various senior team meetings where their input on an issue is particularly relevant and the item would be put at the start of the meeting where possible. SLM have access to the minutes of all senior team meetings via the confidential SLM shared drive. The content of SMT/SLT meetings is confidential. A summary of key matters arising/action points will be communicated to wider staff members as appropriate.
