

# 2018 WIN EXPERIENCE

**Avideon - 3355 Keswick Rd, Baltimore, MD 21211; Richard Wiklund (Parent)** | Start-up business. Fantastic opportunity to work with business owner Richard Wiklund to start your own small business. Selected students will work together to define a product, create a domain and website, make and sell the product. Students will learn the fundamental aspects of running a small business. All money raised would benefit a non-profit. | Addie Fisher '19, Tabitha Lardien '21, Laurel Mardiney '19

**Cypress Benefits - 100 Sparks Valley Rd, Sparks Glencoe, MD 21152; Lagena Fuller** | One-week internship. This is a great opportunity for students interested in both business and law. Ms. Fuller is an attorney who started her own commercial benefits business servicing clients that range from two employees to +3,000. You will gain insight into Human Resources, Insurance and multiple business clients across many industry segments. | Alexandra Fabula '19

**David S. Brown Enterprises - 100 Painters Mill Rd, Owings Mills, MD 21117; Danielle Bush '96** | Interior Design Internship. Focus on Commercial Interior Design. Student will shadow and also help in an intern role capacity (working in the materials library, administration, job site visits). Excellent opportunity for anyone interested in a career in Interior Architecture or Design. Experience will be tailored to the student's particular skill set. If available, AutoCAD proficiency would be valuable and will allow the student to work on project design. | Caroline Hudson '19

**Erickson Living - 715 Maiden Choice Lane, Catonsville, MD 21228; Barbara Ireland** | Shadow day with Erickson Living, manager and developer of continuing care communities, currently with 19 communities located in 10 states. Two students will spend a day in July exploring the field of accounting and related professions at Erickson Living's corporate office in Catonsville, MD. The students will meet with various team members to gain an understanding of career paths and responsibilities at Erickson. Additionally the students will have an opportunity to talk with the summer college interns so they can share their college experiences. | Anna Dolce '19, Claire Jenkins '19

**Etcetera - 5919 Meadowood Road Baltimore, MD 21212; Ann Harris '84** | Shadow day. Spend the day getting an inside look into the fashion industry with Etcetera consultant setting up and merchandising the fall line for trunk show. | Jenna Cross '19, Sophia Hudak '19

**KE Hardware - 3907 Falls Rd, Baltimore, MD 21211; Ken Fitzgerald (Parent)** | Internship. Student will use creative thinking and will learn/polish merchandising and photo editing skills to help in the creation and merchandising of products for website. Help create social media updates including blog, Facebook, and Twitter updates. | Daniella Campbell '19

**KOFA Public Affairs - 111 South Calvert St., Suite 2820, Baltimore, Maryland 21202; Damian O'Doherty (Parent)** | Internship. KOFA Public Affairs works in the intersection where government, politics, media, and commerce collide. They represent Fortune 500 companies, higher education institutions, and world-class master plan developers. | Sara Walsh '19

**McCormick & Company - 18 Loveton Circle, Sparks, MD 21152; Kasey Jenkins (Parent)** | Shadow day for two students. Students will observe Ms. Jenkins on conference calls with investors the day after an earnings call. Students will receive an overview of Investor Relations activities and a review of related materials. If the timing allows, depending on the extent of calls, students may have the opportunity to meet with other financial managers. | Grace Oakey '19, Izzy Gemma '19

**Parallel Risk Advisors - 509 S Exeter St. #505, Baltimore, MD 21202; Debbie Dorsch (Parent)** | Two day shadow experience. Parallel Risk Advisors is a commercial insurance brokerage and risk management firm with a focus on the commercial real estate industry. We have a national footprint and our clients are real estate owners, developers, managers, and investors. | Grace Oakey '19

**PNC Bank - PNC Harbor Side, 1 E Pratt St. Ste. 100, Baltimore, MD 21202; Sean Hull** | An introduction to the day of a wealth management and investment advisory team. The topics will come from various speakers who will talk about savings, investing, fraud, credit cards, and budgeting. Each student will also visit a banking branch and trading floor. The shadow day will be at the downtown offices at One East Pratt Street, 10th Floor Baltimore, Md. 21202 | Ellen Brooks '20, Molly Cooke '21, Grace Larney '20

**Royal Bank of Canada - RBC Hunt Valley, 225 Schilling Cir #250, Hunt Valley, MD 21031; Pat Vaughan, Marc Firlie (Parent), Brian Kroneberger (Parent)** | Shadow days (2). Students will spend the days shadowing a Financial Advisor at the RBC office in Hunt Valley. | Lauren O'Connor '20, Claire Jenkins '19

**Talucci Fine Foods - 8600 Lasalle Road, Suite 501, York Building, Towson MD 21286; Carey Talucci '77** | Week-long shadow experience. Student will gain an understanding of the day-to-day operations inside our catering company. It is a very fast-paced environment and we are always managing multiple projects. You could be helping with a multitude of tasks ranging from helping with catering events, assisting in the preparation of food, to assisting in the daily end of shift duties. | Gabrielle Ogunadaro '21

**Timber Industries, LLC - 31 Iron Mill Garth, Hunt Valley MD 21030; Annette Walter '95** | Shadow day. During the shadow day you will be in the office with the team of Timber Industries. You will be able to observe what a day looks like working for a National Lumber company, owned and operated by Annette Walter. You will be able to see what our Chief Operating Officer and Account Manager's daily tasks are as well as our Director of Finance. We may even be able to have you help complete some of our daily tasks. The office is a fun energetic environment. We may even have a conference call about a new proposal or client. Annette may have you shadow a part of her day, too. Everyday is different! | Laurel Burns '19

**Under Armour - 1020 Hull Street, Baltimore, MD; Dean Hopkins '00** | Shadow day. Students will spend a day in the life of leadership at Under Armour! In the morning, they will receive an overview of the Demand Planning Department's key responsibilities and work processes. For the balance of the day, they will shadow the VP of Global Revenue Planning as she attends meetings with teammates in her own department, as well as those in other departments. Students will leave with a general understanding of how Under Armour predicts future sales opportunities and develops products to service future demand. | Anna Dolce '19, Katie Rogers '19, Annabelle Somarriba '19

**UnitedHealthcare - 6220 Old Dobbin Lane, Columbia, MD 21045; Andrew Fabula (Parent)** | Shadow day for multiple students. Spend the day at UnitedHealthCare exploring accounting and why it is an interesting and great career. Students will have the opportunity to learn about different types of accounting careers and will be exposed to examples of the type of work performed by accountants. Students will learn about the financial performance of companies and interesting real-world issues like ObamaCare/Healthcare Reform. | Kylie Cox '21, Alexa Aquino '20, Katrina Trintis '21

**Wells Fargo - 7 St. Paul Street, 3rd Floor Baltimore, MD 21202; Susan Owens** | Week-long internship, two full days and two-to-three half days. Student will assist with a hands on marketing project in addition to meeting with colleagues within several areas of Wells Fargo, one of the country's largest banks. Student will be introduced to: Middle Market Banking, Business Banking, Retail Banking and Wealth Management to learn about what various types of jobs bankers do on a daily basis. Based in the bank's Baltimore office. | Annaliese Jameson '19

**WMS Partners - 1 Olympic Pl., Towson, MD 21204; Martin Eby (Parent), Juli Blum (Parent)** | Shadow day for multiple students. Introduction to a wealth advisory firm. Students will spend the day exploring: What is wealth planning and who needs it? Financial/retirement/goal planning, Estate planning Portfolio construction/Investment Selection, Risk management | Katie Rogers '19, Tricia Norris '21, Ashley Phelan '21, Anna Dolce '19

**WTCI, World Trade Center Institute - 401 E Pratt St., Baltimore, MD 21202; Betsy Collie** | One-day immersion into the World Trade Center Institute – introduction into the team experience, meet the International Business Community and participate in one of the Membership Series Events: Taste of Business featuring Australia. | Nina Mainello '19, Claire Myers '19

**Whiting-Turner - 300 East Joppa Road, Towson, MD 21286, Katie O'Brien '05** | One-week shadow opportunity. Selected students will have the opportunity to visit offices and construction job sites to experience how civil, mechanical, electrical, and architectural engineers work together to complete projects in construction. This program was developed by NDP graduates who work as engineers for Whiting-Turner Contracting Company and serve as mentors for the shadowing students. | Samantha Wilt '20, Clarisse Dapul '21, Zoe Roros '20, Eileen Stephan '20, Grace Kline '19, Alex Fava '19, Merliss George '20, Anna Gompers '20, Jessica Seymour '21, Camille McGarvey '21

**Morgan State - 1700 E. Cold Spring Lane, Baltimore MD 21251; Dr. Celeste Chavis** | Shadow day. The student will experience a regular day as a Transportation Engineering professor. They will observe the teaching, research and mentoring elements of being a professor. They also meet with undergraduate and graduate students. They will also get to spend some time with our driving simulator. | Camille Burt '20

**Morgan State University - 5201 Perring Parkway, Baltimore, MD; Dr. Monique Head** | Shadow day. Spend the day with Dr. Head, you will visit the structures lab and test concrete specimens as well as observe preparations for large-scale structural testing focused on bridge design and earthquake engineering. | Caroline Merrill '19

**Albert S. Cook Library - Towson University; Claire Holmes** | Multi-week internship. A student intern would participate in an individualized orientation/overview of Cook Library first, then shadow at the various service points, and learn routine tasks such as shelving books, using the Library of Congress classification system. The student would be introduced to a number of librarians and library staff members (Cook Library has approximately 25 librarians and 25 staff member in the various departments) to get a sense of the different areas of work in an academic library, and then possibly have the opportunity to participate in a summer project, such as planning and implementing a library display. | Sarah Pfeiffer '21

**Atlantic Seaboard Dyslexia Education Center - 22 West Jefferson Street, Suite 307 Rockville, MD 20850; Ellen O'Neill** | Week-long experience. Students will assist teachers in summer program for elementary-aged students with learning disabilities. Students may work directly with students, practicing math games under instruction of lead teacher. Students will prepare and distribute class/student materials. Students may participate in education planning sessions and student feedback sessions. | Kate Patterson '21, Noemi Cannella '21

**Ayers Saint Gross - 1040 Hull Street, Ste. 100, Baltimore, MD 21230; Mindy Dunn** | Week-long experience. Student will join the Graphic Studio within a multi-disciplinary design firm. Student will attend studio meetings, assist on a variety of graphic design projects (print, electronic, environmental graphic design (EGD), signage and wayfinding), and learn the ins and outs of design across a variety of disciplines (architecture, planning, interior, and landscape). | Charlotte Doyle '19, Darby Severe '19

**Baltimore County Public Schools Infant & Toddlers Program - 9150 Franklin Square Drive, Rosedale, MD 21237; Shelly Trivett '94** | Shadow day. Accompany Ms. Trivett on home visits with the Infants and Toddlers Program. Work with children from birth to age three who need physical therapy services due to a delay in the motor development. This could be due to a neurological disorder, premature birth, or just not developing along the typical timeline. Ms. Trivett typically sees three to five children a day in their homes with their parents or caregivers. She teaches the parents or caregivers ways to help the child on a daily basis to progress with their gross motor skills (i.e rolling, sitting up, crawling, walking). | Eliana Santico '19, Maria Diacoloukas '19, Madison Dorn '19, Sydney Burns '19, Sarah Kronsberg '19

**K. Lechleiter Architect / LED-BETTER Studio - 1916 Fleet Street, Baltimore MD 21231; Erin Purcell '08** | Group Shadow Day. Spend the day observing what a small firm is like, learning about projects and the design process and potentially going on a site visit. | Melissa Borgerding '19, Clarisse Dapul '21, Mackenzie Walker '20, Anna Gompers '20, Molly Ridgely '19

**NFD Interior Planning and Design - 124 Lakefront Drive, Hunt Valley, MD 21030; Jeanie Stambaugh (Parent)** | Week-long shadow experience. Student(s) will spend the week attending client meetings at office in Hunt Valley or downtown Baltimore location. Students will also attend presentations for products by reps, sit in on business discussions, assist on design projects, and file materials in the product library. | Kate Patterson '21, Claire List '20, Molly Ridgely '19, Sophia Ocampo '20

Any student who is interested in writing, advertising, social media, or media relations would be a fit. | Annabelle Somarriba '19, Sydney Rosa '19, Emma Reid '19, Lila Knott '19, Caroline Klecka '19, Ashley Phelan '21

**Knott Mechanical - 338 Clubhouse Road, Hunt Valley, MD 21031; Martin Knott** | Shadow day. Spend the day with a business that is building a world-class construction education system. Great opportunity for students interested in architecture, engineering, design, and business. The firm is very interested in recruiting women into this industry. | Mary Margaret Galvin '19, Addison Rahl '19, Stacey Villanueva '19

**T. Rowe Price Associates - 4515 Painters Mills Rd., Owings Mills, MD; Ellen Persons, Scott Libby (Parent)** | Three back-to-back shadow days with a group of three-to-five students. Get exposure to the day-to-day work at T. Rowe Price's creative agencies and see jobs you may not realize exist in the corporate world. This opportunity offers group shadowing in our Internal Agency (Owings Mills) and Client Experience innovation lab (Linthicum). You'll spend a day in each location, observing our writers and content strategists, and interacting with other creative professionals, such as visual and user experience designers. Tackle a group assignment on your final day with coaching and support from our team of experts. | Maggie Williams '20, Claire Jenkins '19, Anna Dolce '19
