Rules Governing Use of the School Buses

A contract is entered into by the parents and members of Reed's School and it governs the conditions under which the School Bus Service may be used.

1. Pupils must carry a valid bus pass or ticket which has to be shown to the driver on boarding the bus.
2. Pupils must wear seat belts.
3. School uniform must be worn unless special dispensation has been given as a result of a particular activity. Pupils must ensure that their appearance is neat and tidy, and that they are therefore good ambassadors for the School.
4. Pupils must behave well at all times.
5. Pupils must not leave their seats during their journey.
6. Pupils must obey instructions given by the driver and recognise that he/she is in control of the vehicle.
7. Pupils must arrive on time at their pick up point. The buses are not expected to wait for late arrivals.
8. Pupils must behave responsibly when waiting for the bus and should be aware of the dangers of other traffic.
9. Pupils, or their parents, should contact the Bus Depot if a bus is more than 15 minutes late. The contact number in such cases is displayed on pupils' bus passes.
10. Any pupil who fails to comply with these conventions may have the right to use the bus service withdrawn, or may face other school disciplinary sanctions.

The bus driver has the authority to check tickets as pupils board the bus, check that seat belts are being worn, instruct a pupil to change seat, and report any misbehaviour to the Headmaster's office.

“School Standards” Guidelines for The Close and Middle School

*the Sixth Form has its own Code of Conduct

Intention

To set School standards for certain offences which are of a 'School' rather than 'House' nature:

- i) So that pupils will know precisely where they stand,
- ii) So that there will not be an inconsistency of reaction between Houses, and
- iii) So that members of the Common Room will know what course of action they should follow and what will happen if pupils break certain rules.

There will be cases where the Housemaster may be aware of mitigating circumstances which need to be taken into account - these should be discussed with the relevant member of the Senior Leadership Team.

1. MISSING LESSONS OR GAMES

Individuals should be reported to their Housemaster who will inform the Deputy Head (Pastoral) who will keep a central log of details. The standard punishment should be a Behaviour Detention

2. MISSING CHAPEL OR ASSEMBLIES

Individuals should be reported to their Housemaster. The standard punishment should be: first offence - 2 'M's'; second offence - Behaviour Detention

3. WILFUL BREAKING BOUNDS

Individuals should be reported to their Housemaster. The basic level of punishment should be a Behaviour Detention. Serious offences should then be referred to the Assistant Head (Middle School) who will inform the Deputy Head (Pastoral).

4. TOBACCO AND ALCOHOL OFFENCES

Individuals caught in unauthorised possession of smoking or vaping materials or alcohol or caught in the company of others guilty of such offences should be reported to their Housemaster and relevant Assistant Head who will inform the Deputy Head (Pastoral).

5. CHEATING (in preps, tests, etc.)

Individuals should be reported to their Housemaster who will inform the Deputy Head (Academic) who will keep a central log of details. (See h. in Rules)

6. VANDALISM AND STEALING

Are also regarded as serious offences and will be dealt with accordingly. They should be reported to the Housemasters for action in the first instance who should inform the Deputy Head (Pastoral) who will keep a central log of details.

7. HAIRSTYLES

Pupils will be asked to correct inappropriate hairstyles at the earliest opportunity. In extreme cases pupils may be sent home to do so.

8. BULLYING

The School will act in accordance with the School Policy on Bullying which can be found on our website.

Summary

School rules apply to both day pupils and boarders, and day pupils should remember that outside the grounds they are ambassadors for the School and that it is in large measure by their conduct that the School will be judged locally especially in areas such as Oxshott Heath and at Oxshott Railway Station. Day pupils should not discredit the School by misbehaving in public, by drinking under age or by smoking. They should play their full part in both the academic and activities curricula offered by the School.
