Dear Parent/Guardian

The School policy is that all pupils must wear a correctly fitting mouthguard when taking part in any contact sport such as rugby or hockey. In order to give everyone the opportunity to have a **dentally fitted** mouthguard at a reasonable cost we have asked OPRO, the dental organisation that specialises in mouthguard, to visit the School on Friday **7th September 2018**.

OPRO now visits a very substantial number of schools, and provides the following service;

- **A qualified dentist** to take the impression
- **A named mouthguard usually** delivered within a week of fitting
- **School name** in mouthguard
- **A prompt replacement** in case of loss - OPRO keep the model
- **A comprehensive aftercare service**
- **A full dental accident warranty** for 12 months

To take advantage of this service all you need do is:

1. Choose the mouthguard design you require from the enclosed leaflet/order form
2. Place the order either over the internet, by fax or post
3. Please **make payment to OPRO**.

In all cases please **deal directly with OPRO and NOT the school.**

All orders must be placed with OPRO online.

Your child will still be able to receive a custom-fit mouthguard after this date but instead of being included in the dental visit at School, he/she will receive from OPRO a 'self-impression system' in the post.

If your child already has a mouthguard, please check if it fits. Your child's growth can prejudice the fitting and effectiveness of a mouthguard.

Please also visit the OPRO website at www.o-pro.com for further information, special offers and the latest designs.

Yours sincerely

Peta J Stevens
Sister in Charge
