

BTEC National Diploma Summer Task

Unit 10 Sports Event Organisation

You have been around Shenley Brook End over the taster weeks and have had a flavour of what to expect. You have also seen some of our facilities.

Unit 10 of the BTEC National Diploma requires you to devise, plan and deliver a large-scale event at the school. This should be for over 60 young people and should have the following aim

Aim:- To deliver a fun, engaging event which will encourage young people to lead a healthy, active lifestyle

Task:

You need to provide some objectives of what you are going to do in your event to meet the overall aim.

Plan an event using the school facilities.

Take into account health and safety, timings, equality of opportunity, differentiation of activities when planning this event. Consider also how you are going to promote the event to get the sufficient amount of participants.

Write a letter to the governors of the school outlining your plans, explaining how much it will cost as well as the factors listed above.
