Enquiry	I need to think about and plan for my future.	With support I can express myself simply. I know where to go to get careers advise.	I have visited the careers advisor when needed. I have used the careers library facility to research careers.	I have used the careers advisor when needed. I have used the careers library facility to research careers.
Numeracy	I need to increase my awareness and use of numeracy techniques.	With support I am becoming aware of numeracy techniques that would support my learning.	I regularly use numeracy techniques to underpin my learning.	I successfully use numeracy techniques to underpin and further my learning.
Solving Problems	I need to be able to offer solutions to problems.	With support I can evaluate problems and offer potential solutions.	I can evaluate problems, offer potential solutions and justify my responses.	I can successfully evaluate problems, think 'outside of the box' in order to offer potential solutions and justify my responses.
				
Careers Exploration 	I need to be able to make decisions on the school/college I want to attend.	I understand that I need to make decisions on the school/college I want to attend and have carried out relevant research.	I have investigated the routes of education/colleges I hope to attend and am exploring the subjects I hope to pursue and or vocational courses I want to complete.	I am confident that I have researched different pathways to enable me to make an informed choice for my future careers.
