

## PHSE Programme

Personal, Social, Health & Economic education is a school subject through which our pupils develop the knowledge, skills and attributes to keep them healthy and safe and to prepare them for life and work.

Our planned programme aims to ensure our pupils are able to develop fully as individuals and as members of families and communities. Our goal is to equip each and every one of them with the knowledge, understanding, attitudes and practical skills to live healthy, safely, productively and responsibly.

*Please see below the topics for the Autumn Term.*

<u>IAG</u>	<u>Re-Solv</u>	<u>Murder Games</u>	<u>Road Safety</u>	<u>Puberty</u>
<p>An opportunity to support the IAG (Information, Advice and Guidance) offered to each and every student in our school community.</p> <p>This session will introduce students to 'Unifrog'</p>	<p>A UK charity that offers support and advice to young people on the subject of solvent abuse. This session aims to offer guidance to under 18's on staying safe at all times and ending solvent abuse across the UK.</p>	<p>The BBC documentary was made to create an awareness for students around the all potential issues with online grooming and online gaming. This documentary is based on the true story of a 14 year old, Breck Bednar.</p>	<p>This session is delivered by Staffordshire County Council.</p> <p>Each session is age appropriate and delivers clear messages and information about staying safe on the roads in and out of vehicles.</p>	<p>This session is led by our Student Welfare Officer Mrs Hedges, who is also a former school nurse.</p> <p>The aim of this session is to build upon the information given at Primary School and offer any advice and guidance about 'growing up'.</p>
