

# Fashion at the Oscars

The 88<sup>th</sup> Academy Awards took place on Sunday 28<sup>th</sup> February 2016. Whilst there were winners and losers at the awards, here are my winners for the best dressed.

Kate Winslet- She is at the top of the fashion chain in Hollywood and it showed because she wore a Ralph Lauren gown. It was a long black dress, off her shoulders. She looked stunning in it.

Whoopi Goldberg – she showed her shoulder tattoo. She wore a beautiful black gown, based on the dress that was worn by Bette Davies in the film *All about Eve*. A beautiful dress for the Oscars.

Leo DiCaprio – Leo DiCaprio was wearing a black suit, it was by the top designer Giorgio Armani. Leo won the best actor award at the Oscars and it was his first Academy Award. Well done Leo!

Sam Smith –He has lost bit of weight. He wore a smart black suit with a bow tie. Very classic look for when he was accepting his award.

Lady Gaga- Lady Gaga wore a beautiful plain white gown designed by Brandon Maxwell. She looked stunning in it. Her hair looked like beach waves. It looked fantastic.

The Weeknd- The Weeknd wore a black suit just like Sam Smith. His iconic hair was very different so it was styled for him. He looked nice in his suit, but he needed to do something with his hair.

Margot Robbie looked stunning in her striking gold dress with a snake skin twist on it. It was designed by Tom Ford. She looked amazing in her dress. A highlight of the event.

Saoirse Ronan – she is beautiful like Margot Robbie. She wore a green sequin gown by Calvin Klein. She had a bare back. She looked gorgeous in it.

Olivia Wilde – Olivia wore a super daring, chest baring pale dress designed by Sofia Vergara. She looked amazing in her dress and her hair was very attractive. I loved this!

This is my favourite dress. Personally, I would wear that one because it was beautiful and bright. I liked the bottom part of the dress. It looked exquisite!

My worst outfit would be the Weeknds because I don't think his hair matched with the suit.
