

St Catherine's BRAMLEY

Patron: Her Royal Highness, The Duchess of Cornwall

Chief Operating Officer: Mrs Carol Carloss

COMPOSITION FEE OVERVIEW

- The School currently offers a discount of 0.7% per term (2.1% per annum) on lump sums paid as fees in advance. The discount is calculated on a termly basis and is based on the remaining monies at that time not yet allocated to fees.
- Quotations can be provided and agreements can be drawn up at any time of the year. For each month that monies are received in advance, a discount of 0.175% is provided.
- Fees for future years are estimated for quotation purposes.
- The fees used in the quotation will appear as a credit on future termly bills. This will appear alongside the actual fees for the term and any charges. If there is an overall sum to pay, then this will be settled in the normal way.
- Quotations can either be for a specific lump sum or a set number of terms.
- Quotations can also be round sum termly amounts, representing part payment of each term's fees.
- Should a pupil leave St. Catherine's before the monies paid in advance have been fully utilised then, if she goes to another independent school in the UK we would release any remaining monies direct to that school on a term by term basis. Otherwise, we would return the remaining monies in full to you. Either way your advance payment will be fully utilised.
- In the first worked example, a lump sum payment of £56,844 made during April 2019 is sufficient to cover the estimated Senior Day Girl fees of £58,890 for the 3 academic years (2019 to 2022), thereby providing a discount of £2,046.
- In the second worked example, a lump sum payment of £61,891 made during April 2019 is sufficient to cover the estimated Senior Boarder fees of £63,435 for the 2 academic years (2019 to 2021), thereby providing a discount of £1,544.
- Please contact Mr. Graham Langford, our Management Accountant who is providing maternity cover, on management.accountant@stcatherines.info, for a pro forma quotation. This will be prepared and sent to you, accompanied by an Agreement Summary, for you to read through and consider.
