

PREPARATORY SCHOOL

(RECEPTION TO YEAR 6)

Updated November 2016 for action from September 2017

Girls are ambassadors for the school and their uniform should be correct and smart at all times.

Throughout the uniform list there are no recommended numbers for each item. Parents are free to purchase the number to suit their own laundry/boarding arrangements. Do remember that the PTAs run a second-hand shop where many of these items may also be purchased.

All items are available from the School shop unless marked with an asterisk*.

Please note that washing instructions for some of the kit and uniform needs to be followed carefully as the use of fabric softeners adversely affects the waterproofing.

Labelling

All items must be named. For ease of returning lost property it would aid us greatly if clothing is named in the locations stipulated on the list.

iPads are a compulsory item for girls in UII to LIII. We have chosen the latest iPad Air 2 64GB Wi-Fi only, as the minimum suggested specification. The 64GB version or higher is recommended to ensure that the iPad will comfortably handle two years use and the weight of materials we expect the girls to store: educational film clips, e-books, photographs etc. If you purchase your own iPad separately, we ask that it be a Wi-Fi only and not a 3G/4G device. Our internet filter protection for our students, and restricted access to social media sites, can only be applied to Wi-Fi devices.
