Fire procedure – Please be aware that on hearing the fire alarm, evacuation is immediate. Members must make there way to the nearest fire exit, and then to the grass lawn in front of the car park for registration. It is important that all Members sign in and out at reception so we can keep track of who is in the building. We encourage Members to take a towel into the swimming pool area in case there is need to evacuate outside.

Lockers – Both small and large lockers are available for use whilst in the Sports Club, these are located outside the swimming pool changing area. A £1 coin is needed to operate the lockers.

Children – Children under the age of 14 cannot use the facilities without an accompanying adult.
