Congratulations to all

Thank you very much for your support and co-operation with the new arrangements for drop off and pick up. While not an ideal situation, things have been running relatively smoothly. The drop off area at the front of the school has been very busy first thing in the morning. I would like to remind parents that there is the option for Upper School children to be dropped off directly in front of the Council building off Knowle Green. This area has been quieter than the front, and the roadway there is wide enough that parents can pull round stationary cars to exit, thereby preventing queuing. I appreciate that it is frustrating to have lost the spaces at Knowle Green, however I must request that parents do not park on the pavement opposite the front of the school. Cars, vans and lorries using Gresham Road are forced onto the wrong side of the carriageway, and this risks a serious accident with pedestrians. The council have also been ticketing vehicles parked here.
