It is Music Week 1

This week was Revision Week and Upper School pupils have worked extremely hard and applied themselves well to revision lessons in preparation for their Summer exams next week. Tutors during PSHEE sessions have been discussing revision techniques and looking at revision lists and time management with pupils. Looking forward to next week, please can I remind you of the importance that the children get a good night's sleep before the exams and that they have a nutritious breakfast each morning. The pupils are very eager to continue their revision over this weekend so please ensure that they have regular breaks and revise in blocks of no more than 20-30 minutes. It is also vital that the children do get some rest over the weekend and enjoy the longer break from school. I am very proud of all the children and the positive attitudes they have shown this week and I wish them every success with the exams next week.

Congratulations to Lewys P for his Grade 1 Piano Award and to Dingyu W for his Grade 5 Piano Award. Thank you to Omar N for playing the piano so beautifully during assembly this week.

Thank you to the Year 6 Parents who came to the Bath Residential Meeting and the Year 5 and 6 parents who came to the SRE meeting. We hope you found them both informative.

Your school needs you!

Several of the current committee members are Upper School parents and therefore won't be around to share their valuable knowledge in just a couple of years. The officer roles are predominantly filled with committee members of at least a year (although this is not a requirement). The Friends need new members to impart this knowledge to, that perhaps in the near future would consider a more permanent role; Chair, Vice Chair, Secretary and Treasurer. If there are no new volunteers The Friends will eventually become extinct. This would be such a loss to the children and the school. The Friends recent achievements have included the Sanctuary (Forest School area), climbing wall, part purchase of a school mini bus and most recently the Library. Smaller items provided by the Friends include playground equipment for Nursery through to Year 6, recorders for Year 4 and of course the provision of all the annual activities and events that the children enjoy so much. It's a great team to be part of, a very relaxed, easy going bunch of parents that just want to make sure the children's experience of school is the best it can be. The main aim is FUN, secondary to the fundraising.

Come along to the AGM on the 18th of this month and find out more about us, as it can't possibly all be listed here, and see for yourself how passionate we are. If regular commitment is not possible then you can always offer your time at our various events. The Summer Friends event will take place on the 30th June and we will be looking for volunteers to give an hour or more of their time. thefriends@stainesprep.co.uk
