9<sup>th</sup> June, 2016

To boys in Year 8,

### **The Mall School Leavers' Programme 2016**

We have arranged a variety of events for you and hope you will enjoy them. The programme runs for the remaining four and a half weeks until the end of the term.

Please remember to bring pocket money along for all outside visits as you may be thirsty or fancy a snack to keep you going. Please remember to bring/wear the specified kit for each day.

**As part of the Leavers' Programme you will be taking part in an exciting entrepreneurial course entitled "Putting Young Minds to Work". At the end of the course your team will be launching its' mini-business at the Summer Fair on Saturday 2<sup>nd</sup> July, and competing for sales. Your team needs you!**

**Please note that all boys are expected to attend the Summer Fair. A specific arrival time (for set up preparations) will be communicated nearer the time, but is likely to be approximately 10.00 am.**

Hopefully the schedule will remain un-changed, but please be as co-operative as possible if changes occur.

We hope you will have an enjoyable and very memorable last few weeks at The Mall, and we all wish you every success in the future.

With best wishes,

**James Fair**  
Deputy Head

9<sup>th</sup> June, 2016

To parents of boys in Year 8,

**The Leavers' Programme 2016**

As the Common Entrance examination is over, the pure academic side of life at The Mall will be replaced with a balanced educational programme which will start on Tuesday 14<sup>th</sup> June 2016.

As you can see from the attached "Leavers' Programme", we have arranged a variety of events for the Year 8 boys. The programme runs for the remaining four and a half weeks until the end of the summer term. The boys should remember to bring some pocket money along for all the outside visits as they might be thirsty or fancy a snack to keep them going. Your son should also remember to bring/wear the specified kit for each day.

**As part of the Leavers' Programme the boys are taking part in an exciting entrepreneurial course entitled "Putting Young Minds to Work". At the end of the course your son's team will be launching its' mini-business at the Summer Fair on Saturday 2<sup>nd</sup> July, and competing for sales.**

**Please note that all boys are expected to attend the Summer Fair. A specific arrival time (for set up preparations) will be communicated nearer the time but it is likely to be approximately 10.00 am.**

We are in agreement with the boys that after all their preparation for the examinations a time of more relaxed learning is appropriate. Nevertheless, the School expects good behaviour at all times and the boys should not be under any illusion that we would tolerate misbehaviour in any form. If a boy, who is taking part in the Leavers' Programme, does not display his usual good behaviour, he will be placed into a class and expected to complete academic work set by a teacher. The School would very much appreciate your co-operation in this matter.

The same also applies of course when the boys are on their Outward Bound Trip to Wales. This exciting trip will challenge the boys in a variety of areas and the tasks set will challenge the boys' physical and mental ability. We expect the boys to behave sensibly and co-operatively during physical challenges, at the Hostel and in the local community. In the unlikely case of serious misbehaviour of a boy, the School would contact you; we would expect you to collect your son from the activity centre in Wales and keep him at home until we are able to resolve matters.

Nonetheless we are all looking forward to a successful conclusion to the boys' time at The Mall and very much hope that the boys take away some special memories.

Yours sincerely,

**James Fair**  
Deputy Head

**Jill Richards**
