

The Mall School

Curriculum Guide

Geography – Summer Term

Year 6

Teachers:	Mr James Fair
Lessons:	2 lessons (approximately 40 minutes each)
Homework:	1 x 30min (6G Monday; 6L Tuesday)

Introduction:

The geography curriculum is a spiral curriculum in which the boys will revisit topics and build on their knowledge and understanding of various geographical topics.

Key Objectives:

- Revision of factors affecting Britain's climate
- Understanding the three different types of rainfall
- Understanding the causes and effects of Superstorm Sandy (2012)
- Studying the weather at The Mall (fieldwork assignment)
- Understanding why the environment needs protecting and how this can be done
- Understanding the indicators of development in a country
- Understanding what is meant by the term "sustainable development"
- Case studies: Peak District National Park and Tsavo National Park (Kenya)
- Revision of Year 6 work

Resources:

All boys must bring the following equipment to all lessons:

Handwriting pen (blue), Pencil, Rubber, Pencil Sharpener, 30cm Ruler, Colouring Pencils, Highlighter Pens, Glue Stick.

The main resources used in class are the Geography for Common Entrance text books (Human and Physical Geography) by James Dale-Adcock.
