

The Mall School

Our Ethos: “Bringing out the best in every boy”

We believe that all boys have potential and that it is through inspirational teaching and excellent pastoral care that we can develop this potential. We want our boys to leave The Mall as confident, independent, well-rounded young men ready for the challenges of the next stage of their educational journey. Mall boys are thoughtful in both senses of the word. They have an intellectual curiosity about the world around them but they are also considerate and concerned for the welfare of others.

Our Aim:

Our aim is to provide an excellent, broad and stimulating education that inspires boys to realise their potential within a safe and nurturing environment.

We have:

- A rich and challenging curriculum designed for boys
- A strong pastoral environment which promotes the development of happy and considerate boys
 - An excellent range of extra-curricular activities as well as before and after school care
 - State of the art facilities including an indoor heated swimming pool, sports hall and theatre
 - An impressive record of success at 13+ examinations

We achieve this through our values of:

- Fostering a sense of community amongst our pupils, parents and staff, who all work together to bring out the best in every boy; academically, in sport, music, performance and the arts.
- Providing a team who are passionate about what they do and have a strong desire to provide the best experience for the boys in our care.
- Our commitment to setting and achieving the highest standards for the academic teaching, pastoral care, extra-curricular activities and the physical environment that we provide.
