

October 2014

SGRE/SB

Dear Parent/Guardian

I am aware that a number of school visits will be offered to students throughout the course of the year and so would like to give you advance notice of an outdoor education opportunity for Year 8 students which will take place from 29 June to 2 July 2015.

The whole year group will have the chance to spend a night under canvas and two days of activities at Walesby Outdoor Education Centre near Ollerton in Nottinghamshire. These activities include swimming, orienteering, an assault course, kayaking, raft building and a variety of team building exercises. We are very excited about the wealth of experiences on offer and have reserved 240 places. Please note that students will be encouraged to take part in all the activities but will never be forced to take part in something that they are uncomfortable about doing.

Tents, sleeping mats and other camp equipment will be provided and will be pre-erected. Students will need a small rucksack with sufficient clothes for two days, trainers and swimming kit. They should provide a packed lunch for the first day but all other food will be provided.

The approximate cost for the visit is £50 (this will be confirmed nearer to the time) and so that you can budget and spread the payments, students may pay weekly, monthly or in one lump sum. If you would like your child to take part, but think that there may be a problem in providing full payment, please contact me at the school.

This is the first time we have been able to offer such a comprehensive programme of outdoor education and we would like as many as possible of the year group to participate.

If your child would like to go on the visit, please complete the form below, ticking the payment box for your preferred option.

Yours sincerely

Mrs S Greenwood
Assistant Headteacher
