We are continue to look to improve as a school focusing closely to develop in areas that have been identified for improvement. Specific comments made by parents are being review, such as those in relation to homework. As a consequence we will be looking to improve methods of communicating when homework is set, how often it is set and when, as this is an area we would like to develop.

Once again we would like to thank you for coming in to school to discuss your child's progress and sharing your feedback. As always, thank you for your continued support in the school.
