

SUMMER PREPARATORY TASKS 2015

- 1) Social exclusion often affects individuals who have experienced discrimination.
Identify which groups of society may experience discrimination and explain the short and long term effects of social exclusion.

- 2) When you watch a television program such as Holby, Casualty, etc. write down the types of communication being used/between whom and why you think it is used. It could be written, oral, electronic or special methods (eg. Braille, sign).
