

MUSIC BTEC - PREPARATORY TASK SUMMER 2015

Over the summer you need to prepare your solo recital which will be assessed at the start of October.

This will need to include three contrasting pieces, which need to include different styles and tempi.

When you join the Year 12 course you will be expected to have a recital programme with the titles of your pieces (in the order you intend to play them), the composers and timings for each piece.

Please consider if you need an accompanist or if you are going to use backing tracks.

Remember - backing tracks cannot have the part you are playing / singing on them.
