

Uppingham Girls v Barendrecht HC 1-2

Thursday was the day of the international tournament where we played a Dutch team and the atmosphere was incredible. We had a slow start in the first half, allowing the opposition goal to score two goals. But after an inspiring half time team talk we started the second half much more aggressively. Everyone played to their best ability and we were able to win the second half with Kate Gladstone scoring a sneaky goal through the keeper's legs. In the end we lost 1-2 but it was a well fought match and the result doesn't reflect how we played.
