

## Sixth Form (Years 12 and 13)

The subjects available are:

Art	Graphics
Biology	History
Business Studies	Mathematics
Chemistry	Further Mathematics
Computing	Music
DT	PE
Economics	Physics
English	Psychology
Food and Nutrition	RS (from September 2017)
French	Spanish
Geography	Textiles
German	Theatre Studies
Government and Politics	

The availability of these subjects is dependent on sufficient pupils choosing that option.

Each subject is taught for 5 periods per week in the Lower Sixth Form and 6 periods per week in the Upper Sixth Form. From September 2017, there will be 6 periods per subject in both the Lower and Upper Sixth Form.

All Sixth Form pupils have Sport for 4 periods per week.

In the Lower Sixth Form, most pupils study 4 subjects to AS-level. In addition to their AS studies, all Lower Sixth Form pupils have 1 period per week of Study Skills

In the Upper Sixth Form, most pupils study 3 subjects to A-level. A few may continue with all four subjects whilst others, if the timetable allows, may start a new AS subject.
