

A late bus service runs to Kings Lynn and Downham Market after school every day . This service is run jointly between the School's H2SS Minibus (on Monday & Wednesday) and Harrods Coaches (Tuesday, Thursday & Friday) leaving school at 17:35.

On a Monday and Wednesday, the H2SS late bus operates to the H2SS protocols which requires places to be booked in advance with a half-termly or termly commitment required to gain priority for a seat.

If there are any seats available after termly tickets have been reserved, these will be offered on an occasional use basis, and will be invoiced using the fees account.

The cost of the late bus is included in the Harrods and H2SS termly tickets. There is also the option for occasional users to 'pay as you go'. For the remainder of this academic year the service will be offered at the same price per trip as currently charged by Harrods, which is £4.20 per trip to Kings Lynn or Downham Market.
