Friday 9th September 2016

Dear Sixth Form Parents and Carers.

Looking Forward to Success Evening – Thursday 15th September 2016

Our Looking Forward to Success Evening for Year 12 and 13 students and their parents and carers will take place on Thursday 15th September. It will begin at 6pm and will last approximately one hour. We look forward to welcoming you, along with your son or daughter. The purpose of the evening is to share important information about the academic year ahead, to answer any questions you may have, and for you to meet the Sixth Form Leadership Team.

Good communication between home and school from the start of the academic year make a significant contribution to individuals' success at its finale and it is important that you attend this meeting. If you are not able to do so, but would like to arrange to come in to see us at another time, please call the Sixth Form Office on 0203 110 2490.

Results day in August saw last year's Year 13 students celebrating another strong set of results, with many securing places at leading universities to read subjects including Computer Science, Economics, Engineering, Medicine, Photography and Spanish. We look forward to working with you to build on this success over the coming 12 months.

We ask that you either return the reply slip below or email Deputy Year Team Leader Mr Birch (cbirch@actonhigh.ealing.sch.uk) to confirm that you will be attending on 15th September.

Yours sincerely

Ms Lok
