A letter from Kenya

ST FRANCIS OF ASSISI CHILDREN’S DAY CENTRE
P.O.Box 25006 – Nairobi – 00603 – Kenya

To our Dear Parents & Friends of Bolnore Village Primary School,

It was amazing and I couldn’t believe my eyes when your Head teacher Mrs Allen called me to her parents’ house to share with me her joy and the many lovely things she has brought all the way from England. I couldn’t believe my eyes how she managed to come from England with so many Beautiful and useful things for our beloved children. When there is a will there is a way and everything becomes smooth and easy.

So my dear Friends, big thank you from my heart and on behalf of all the children for all : The clothes, shoes, books, pencils, games, balls, toothpaste, toothbrushes, soft toys, coloured pencils and crayons, for these things thank you very much and please keep it up.

My dear friends, when you help the less fortunate children you will be rewarded abundantly and God will bless you with many graces.

Once again, thank you very much and may God bless you and all our friends at Bolnore School.

Love and Prayers
Sister Michelina Micallef FCJ

This is Sister Michelina with Mrs Allen and the Fairy Godmother. Sister is holding the cheque for £810.85 raised by Miss Dugard and Miss France through their sponsored run.

Thank you to everyone who helped us raise £149.49 for children in Japan by taking part and supporting our Jump for Japan event.

RUGBY STARTS AT BOLNORE
Miss Mason has organised for students from Brighton University to come and work with Year 1 and 2. Willow and Magnolia will be learning how to play Tag Rugby.

WHO IS THIS?

MEDICAL MOMENTS
Following our recent Staff First Aid Training, we have been advised that we should not administer any medication to children for legal reasons. Parents are more than welcome to come in and give their child medicine during lunchtime. Children are still able to have inhalers in school and of course we will administer epi pens in an emergency.

Look out for the newly introduced pink ‘Bumped Head Letters’ too.

Who is Who? This is Who!

Formal Assessment?
An update for our parents...

Teacher Assessment continues half termly and we level all our children in key areas to track progress and identify needs.

Reception: By the end of May teachers will have assessed the children on their Early Years Foundation Stage Profile and will be submitting this data to WSCC. This data is reported to parents in the End of Year Reports. Please see Miss Kelly if you have any questions.

Year 2: We use teacher assessment to assess the children for their end of Key Stage 1 levels in English, Maths and Science. We will be using booklets and questions to help us do this but the process is very informal and designed to enable children to feel comfortable and for teachers to have a better understanding of where are children are at. This data is reported to parents in the End of Year Reports. Please see Miss Kelly if you have any questions.
