*Individual Music lessons* The scheduling of these is planned to minimise disruption to the normal school timetable; times are arranged with girls at the beginning of the school year.

Senior 4 (Year 10) and above Each girl has a set lesson time which does not coincide with a GCSE or A-level course.

Senior 3 (Year 9) and below The day of the lesson is fixed, but the time changes week by week. At the end of each lesson the student notes the time of her next lesson.
