1st X1 Season Report: Read by Holly Reynolds

The U13 A team started this hockey season with two losses against a strong Barnardiston and Town Close. The more the season progressed, the better the girls reacted to the coaching they received and to each other, showing excellent team spirit and character. Winning the plate at IAPS was the turning point for this team and with a third place at the County tournament the confidence and belief was there to finish the season strong. Wins against Greshams, OBH and a 4-0 win against IAPS regional champions Orwell Park proved how much this team has grown this year as hockey players but also as members of a close team that would do anything for each other to win matches.

U13A

Most improved player: Holly Reynolds

Player of the season: Emma Stow

Half Colours:
