- **Tennis Report:**

This has been another outstanding year for the Tennis programme with a number of team and individual highlights.

The team highlights were:

The Year 8 Boys and Year 8 Girls won the County Schools Championships and now qualify for the Regional knock-out stage.

The Year 3 Boys and Mixed teams and Year 6 Boys won the County Schools Championships.

The Year 3 Girls and Year 5 Boys teams finished runners-up in the County Schools Championships.

The Year 5 Mixed team finishing 3rd in the County Schools Championships

The main individual highlights were:

The outstanding achievements of Kylie Bilchev, Derrick Chen and Matthew Gedney representing Great Britain throughout the Year. Kylie and Derrick were key members of the GB team that reached the final of the Winter European Cup. Kylie and Matthew both reached the Final of the Tennis Europe Event last week also with Kylie beating the German number one impressively.

Laurie Cruickshank, Georgia Parker, Luke Watson and Seb Koci –Edwards were selected to play for Suffolk or Cambridgeshire in the U12 county cup last weekend.

William Anderson was the youngest person in the County to be selected for a Regional Tennis Camp. William, Archie Jones, Imogen Callaghan and Guy Melia have been the key members of the 8&Under Culford tennis teams that have been undefeated all season in School and Club Competitions and won a number of individual events.

- **Equestrian:**

Prep School pupils have enjoyed opportunities to take part in competitions this term.

As part of the Thursday Riding group, an end of term, mini jumping competition was held. Addie Hafemann won in the mini poles competition with Bella Sinclair winning in the second group. All have improved their riding and this was a great way to show off what they have learnt.

The Newton Hall Inter-Schools Competitions continue to be popular. This weekend, eleven Fm 1 pupils took part in the team trot pole competition. Assisted by Molly Lovejoy, Libby Hart and Leah Fitton won the Team Competition, with Bella Sinclair, Lara Sykes and Lucy Taylor finishing in 6th place. Libby had a busy afternoon, also finishing 3rd in the Individual trot pole competition, being unlucky to have a pole down in the clear round class and then finishing 4th in the 65cm jumping class. Culford girls took all the prizes in the 65cm class, with Molly winning her second 1st place of the day, with Nina Dahl 2nd and Jennifer Dahl 3rd.

Millie Stennett has had an outstanding season. She has qualified to jump at the prestigious Royal International Horse Show at Hickstead in July and we wish her well. She has also committed her time and talents to represent Culford at National Schools Equestrian Association events and has helped the school teams to a number of successes. Patience Leslie and Frankie Sanderson have also been members of the School Teams.

### **Athletics Report:**

This has been another great term for Athletics in the Prep School.

The ESAA Schools Cup Competition in early May saw both the boys' and the girls' teams acquitting themselves well against other schools from across Suffolk.

In the Suffolk Schools Trials, Max Derbyshire (Hurdles) and Chloe-Jeane Parsley (Discus) performed well and were awarded with selection to represent Suffolk in a Regional Schools Athletics Competition in Peterborough.

The Regional Prep Schools Competition held in Bedford after Half Term saw some more great performances from Culford pupils. Charlie Wakefield won his 800m race, Yaa Zuta was 2nd in her High Jump and Amelia Brayshaw 2nd in her discus, meaning all three qualified for the National Prep Schools Athletics Finals to be held in Birmingham. Others just missing out on qualification were Chloe-Jeane (3rd in the discus) and Emily Wildish (3rd in her High Jump). Of the younger athletes, competing for the first time at Bedford, Holly Reynolds had an excellent run in her 800m race, Kira Dowling performed well in the High Jump and Henry Derbyshire is one to watch in the future in the Hurdles.

Two more team events after Half Term saw both the Boys and the Girls U12 Teams qualify for the County Final - both finishing in 2nd place against 14 other schools. The U13 Team Events later that week, were equally competitive, and both teams finished in the top 5 on a very warm afternoon.

The athletics season came to a great conclusion with Prep School Sports Day on Saturday. Some superb performances from L1 pupils through to the U3 saw Honess win the House Cup, with Newman in 2nd place. Luke Watson was awarded the Victor Ludorum, whilst Chloe-Jeane Parsley the Victirix Ludorum.

### **U13A Rounders Report:**

The U13A team had outstanding success in their matches this season and have had an almost perfect season, losing only one match by ½ a rounder and because of wet weather they had to play walking rounders, which meant that the match was more of a friendly game rather than a fixture. (So really they have had an unbeaten season) They have really dominated when fielding and this has been their strength. Their batting has improved enormously and allowed them to consistently score ½ and full rounders. The team has been a pleasure to coach as they have truly endeavoured to incorporate the tactics that they have learned this season.

- **Cricket 1<sup>st</sup> XI Report:**

The Prep 1st XI had worked really hard during winter nets. Their enthusiasm during these sessions was most impressive.

The players have made great progress, both individually and as a team. They have impressed with how they batted so sensibly. Solid defensive technique was applied when necessary, and an attacking flair was very evident in their batting too.

As to the season, well it was badly affected by the weather during the first half term. Only one match was completed! Two were abandoned at tea, and the one defeat was to RHS; and here we had batted positively to within 20 runs of the target 161 to win. The batting of Marcus Packer and Oliver Thompson in this run chase was particularly good. After half term we began with a 20/20 v Woodbridge. Batting first and only scoring 75 was not good enough. However, a spirited bowling effort in which Freddie Nash took 3 wickets meant that at one point we had started to cause some panic in the opposition's batting line up.

A victory against Barnardiston Hall followed. Batting first we scored 166 for 3 wickets in our 25 overs. Marcus batted through the innings to score 77 not out, and Mason Bickers scored 54 not out. Ruben Surti then tore through their batting, taking 5 quick wickets; Ryan Gittins took 3 wickets. The next fixture was a superb game. Culford chose to bat against Town Close and they batted well scoring 132-4 from 24 overs. Oliver Melville-Ross playing positively as always for 40. Town Close proved too strong though and reached 133-6 with just one ball left!

With so many matches having been affected by the weather it is encouraging to see that the boys have still enjoyed their season so much, they have remained a very positive group to work with.
