

Parental Information Evenings 2014-2016
CONSULTATION QUESTIONNAIRE (12th March 2014)

Dear Parent/Carer

Parental Information Evenings have been running on a regular cycle for the last six years at Sutton Grammar School and continue to be popular with you the parents. The idea of these evenings is to offer you insights into topics chosen by you as parents or carers of 11 - 18 year olds. With just one more session of the current two year programme to run, the time has come to ask your preferences for the next series of Parental Information Evenings.

To help you decide I have listed below the 2012 - 2014 sessions with some additional suggestions for the future. Please tick any boxes of sessions you would be interested in attending, or add suggestions of your own in the last box overleaf. The programme for 2014 - 2016 will be put together on the basis of majority preference.

May I take this opportunity of saying thank you to all those of you who have shown such enthusiastic support for this venture over the years. I hope to be welcoming you, and those new to the series, to the Drama Studio on Thursday June 5th for our last session this year when Jenny Rowley of London Borough of Sutton will address us and take questions on sexual health, relationships and the 11-18 year old.

Yours sincerely

Mrs I Sutherland
Deputy Head

1 (a) 2012 - 2014

- Safety on the streets for the 11-18 year old
