

12th February 2015

Dear Parent/Carer

We would like to invite you to the second of our termly Parental Information Evenings this year which will take place on Thursday 26th February at 7.30pm in the Drama Studio. The topic will be 'Career paths, college, university - a way through the maze for parents'. Doors will be open for refreshments at 7pm, the talk will run from 7.30 - 8.30pm after which there will be time before the 9pm close for further questions, a chat and more refreshments. Please note that this session is for parents of all age groups and will be led by experts in a variety of fields from employment to apprenticeships to university applications and requirements.

Thursday 4th June will see a session for parents on 'Safety on the streets' which we hope will be led by the school's attached police officer, PC Sullivan and a representative of the Street Pastors.

I do hope that you will be able to join us in the first instance, on Thursday 26th February, the first Thursday after half term, to hear about ways through the maze of career and qualification pathways. There will be parking on the night in the playground. Do just turn up on the night but if you can, I would be grateful if you would return the attached reply slip.

With best wishes for a good half term holiday

Yours faithfully

Mrs I Sutherland
